1. Title and Components

1.1 Title of By-law

This By-law may be cited as the “The City of Quinte West Comprehensive Zoning By- law”.

1.2 Compliance with Zoning By-law

No land, building, structure, excavation, lot or premises shall be used or occupied and no building, structure or excavation shall be erected, altered or made, in whole or in part, for any purpose EXCEPT in conformity with the provisions of this By-law.

1.3 Minor Variances to Former By-laws

Where the Committee of Adjustment of the City of Quinte West or the former Township of Sidney, former Township of Murray, former Village of Frankford or the former City of Trenton or the Ontario Municipal Board has authorized a minor variance from the provisions of By-laws 2076-80, 78-694, 97-574 and 77-3359 as amended, in respect of any land, building or structure and the decision of the said Committee of Adjustment or the Ontario Municipal board authorizing such minor variance has become final and binding prior to the effective date of this By-law, the provisions of this By-law, as they apply to such land, building or structure, shall be deemed to be modified but only to the extent necessary to give effect to the provisions of that previous minor variance.

1.4 Site Plan Agreements and Site Plan Approvals

Where a Site Plan Agreement has been entered into prior to the effective date of this By- law or where Site Plan Approval has been granted by the City but a Building Permit for the development in either circumstance has not been issued, the provisions of this By- law, as they apply to such land, building or structure, shall be deemed to be modified to the extent necessary to give effect to such Site Plan Agreement or Site Plan Approval, provided that the Building Permit is issued within one (1) year of the effective date of this By-law. If a Building Permit is not issued within one (1) year of the effective date of this By-law a new Site Plan Agreement will be required

1.5 Validity

(By-law 18-093)

If any section, clause or provision of this By-law, including anything contained in the Schedules attached hereto, is for any reason declared by a court of competent jurisdiction invalid, such declaration does not affect the validity of this By-law as a whole and all the remaining sections, clauses, provisions or Schedules of this By-law remain in full force and effect until repealed.

Declaration: Schedules A, B, C, D, E, F, G, and H attached hereto form an integral part of this By-law.

1.6 Application

This By-law shall apply to and be enforceable within the municipal boundaries of the City of Quinte West.

1.7 Interpretation

Unless the contrary intention appears in this By-law, words importing the singular number or the masculine gender only, include more persons, parties or things of the same kind than one, and females as well as males, and the converse. Words used in the present tense include the future, and the word "shall" is mandatory and not directory.

"Illustrations" and "Notes" contained in this By-law are provided for information and convenience, and do not form part of this By-law.

1.8 Zone Symbols

The Zone symbols used on the Schedules to this By-law refer to the use of land, buildings and structures and excavations permitted by this By-law in the zone categories. In this By-law whenever the word "Zone" is used, preceded by any of the symbols, such Zone shall mean any area within the City of Quinte West delineated on the Schedules to this By-law and designated thereon by the symbol.

1.9 Exception Zone Symbols

Where a Zone symbol on the attached schedule(s) is followed by one or more numbers following the dash (-) symbol, such as R1-1, the numbers/letters following

the dash (-) symbol refer to subsections in each of the parent zone classification. Lands zoned in this manner shall be subject to all the restrictions of the Zone, except as may otherwise be provided by the Exception Zone Provisions.

1.10 Interpretation of Zone Boundaries

When determining the boundary of any Zone as shown on any Schedule forming part of this By-law, the following provisions shall apply:

- (a) A boundary following a highway, street, lane, railway right-of-way, utility corridor, hydro corridor or watercourse shall be the centerline of such highway, street, lane, railway right-of-way, utility corridor, hydro corridor or watercourse;
- (b) A boundary indicated as substantially following lot lines shown on a Registered Plan of Subdivision or the municipal boundaries shall follow such lot lines or municipal boundaries;
- (c) A boundary indicated as following a lot line abutting an unopened road allowance shall follow the centerline of such road allowance;
- (d) Where a lot falls into two or more Zones, each portion of the lot shall be used in accordance with the provisions of this By-law for the applicable Zone; and,
- (e) Where none of the above provisions apply, the Zone boundary shall be scaled from the Schedule(s).

In no case is a Zone boundary dividing a lot into two or more Zone categories intended to function as a property boundary.

1.11 Zoning Administration

This By-law shall be administered and enforced by the By-law Enforcement Officer.

1.12 Application of Other Statutes and By-laws

Nothing in this By-law shall relieve any person from the obligation to comply with the requirements of any applicable statute or regulation or of any applicable by-law of the City of Quinte West, or the obligation to obtain any license, permit, authority or approval required under any by-law of the City of Quinte West.

1.13 Occupancy Permit

No change may be made in the type or use or activity of any lot covered by this By-law, or of any building or structure until an Occupancy Certificate has been issued by the Chief Building Official.

1.14 Occupancy of Uncompleted Dwellings

No dwelling house shall be used for human habitation until the Building Code Act, R.S.O., 1990, as amended and the Regulations passed thereunder have been complied with and a Occupancy Permit has been obtained.

1.15 Buildings or Structures to be Moved

In all Zones, no buildings, or structures, residential or otherwise, normally requiring a building permit for construction shall be moved within the area affected by this By-law without a Building Permit.

2. Zone Classification

2.1 Zones

(By-law 18-093)

For the purposes of this By-law, the whole of the City of Quinte West is divided into various zones as named and described in the following sections, the boundaries of which are shown on Schedules A, B, C, D, E, F, G, H, all of which are attached to and form part of this By-law.

4. General Provisions

4.1 Accessory Buildings, Structures and Uses

4.1.1 Permitted Uses

Where this By-law provides that a lot may be used or building or structure may be erected or used for a purpose, that purpose shall include any accessory building, structure or use but shall not include the following:

- (a) Any occupation for gain or profit conducted within or accessory to a dwelling unit or on such lot associated therewith, except as is specifically permitted in accordance with this By-law; or
- (b) Any building use for human habitation except in accordance with this By-law, as is specifically permitted.
- (c) Accessory buildings, structures and uses shall only be permitted once the principal use has been established.

4.1.2 Relation to Street

(a) Residential Zones

An accessory building or structure, which is not part of the principal or main building on the lot, shall not be erected closer to the street line than the principal or main building on the lot and shall further be erected in conformity with the yard and setback requirements of the respective Residential Zone, except as may otherwise be provided for herein.

Notwithstanding the foregoing, on waterfront lots, accessory structures are permitted closer to the street than the main or principal building but cannot be located within the minimum required front yard.

(b) Non-Residential Zones

An accessory building or structure shall not be erected closer to the street line than the minimum required yard setback requirements of the respective non-residential zone, and further, shall not be erected closer than 3 metres to an interior side or rear lot line except as may otherwise be provided for herein. Notwithstanding the foregoing, a gatehouse or information kiosk or other similar accessory structure shall be permitted within a required front or side yard or within the area between the street line and the required setback.

4.1.3 Relation to Principal or Main Building

Except as may otherwise be provided herein, any accessory building or structure, which is not part of the principal or main building, shall not be erected closer than 1.5 metres to the principal or main building.

4.1.4 Lot Coverage

The total lot coverage of all accessory buildings and structures, except swimming pools, shall not exceed 15 percent of the lot area.

4.1.5 Accessory Structure Encroachments

Notwithstanding the yard and setback provisions of this By-law to the contrary, awnings, clothes poles, flag poles, garden trellises, retaining walls, signs or similar uses which comply with the licensing and/or regulatory By-laws of the Municipality, shall be permitted in any required yard.

Notwithstanding the yard and setback provisions of this By-law to the contrary an accessory structure which does not exceed 4.5 metres in height, or one storey may encroach into any interior side yard or rear yard provided a minimum 1 metre setback from the property line is maintained. An accessory building or structure may exceed 4.5 metres in height to a maximum height of 7 metres subject to the yard requirements of the zone. A mutual garage may be erected on a common lot line.

4.1.6 Boat House, Pump House and Docking Facilities

- (a) Notwithstanding any other provision of this By-law to the contrary, a boat house or pump house may be erected and used in the required yard of a lot abutting a waterway provided such accessory building or structure is not located closer than 1.0 metre to the interior side lot line.
- (b) Notwithstanding any other provisions of this By-law to the contrary, no dock or projection thereof shall be located within 2.0 metres of the lot line or projection thereof.
- (c) For the purpose of this Section, the projection of the lot lines shall be made at 90° to the point at which the lot line intersects the shoreline.

- 4.1.7 Exterior Unenclosed Stairs
Notwithstanding the yard and setback provisions of this By-law to the contrary, unenclosed exterior stairs may project into any required setback a maximum of 1.2 metres.
- 4.1.8 Ornamental Structures (By-law 18-093)
Notwithstanding the yard and setback provisions of this By-law to the contrary, sills, chimneys, cornices, eaves, gutters, parapets, pilasters, or other ornamental structures may project into any required yard a maximum distance of 0.6 metres.
- 4.1.9 Unenclosed Porches, Balconies, Steps or Patios
Notwithstanding the yard and setback provisions of this By-law to the contrary, unenclosed porches, balconies, decks, steps and patios, covered or uncovered, may project into any required yard a maximum distance of 1.3 metres, but not closer than 1.2 metres to any lot line, provided that in the case of porches, steps or patios such uses are not more than 1.8 metres above grade, exclusive of hand railings or other similar appurtenances.
- 4.1.10 Temporary Buildings and Structures for Construction Uses
A tool shed, construction trailer, scaffold or other building or structure incidental to construction is permitted in all Zones on the lot where construction is being undertaken and only for so long as it is necessary for the work in progress and until the work is completed or abandoned. For the purpose of this By-law, “abandoned” shall mean the failure to proceed expeditiously with the construction work.

4.2 Second Dwelling Units

(By-law 19-039)

Where permitted, a second dwelling unit is subject to the following provisions:

- 4.2.1 A maximum of one (1) second dwelling unit use is permitted within any single detached dwelling; or within a dwelling unit located in a semi-detached, duplex, townhouse dwelling; or within one (1) detached structure on a lot that is ancillary to a dwelling;
- 4.2.2 The use is subordinate to the main use on the same lot;
- 4.2.3 A maximum of one (1) second dwelling unit is permitted per lot;
- 4.2.4 The maximum floor area used for a second dwelling unit within a primary dwelling unit shall not exceed 50% of the gross floor area of the entire building in which it is located;
- 4.2.5 A second dwelling unit is not permitted on a property where there is a garden suite also situated;
- 4.2.6 One (1) parking space is required for the second dwelling unit, in addition to the parking required for the single detached, semi-detached or townhouse dwelling. Tandem parking to accommodate the second dwelling unit is permitted;
- 4.2.7 The second dwelling unit is serviced by municipal water and sanitary sewer services where available;
- 4.2.8 A minimum lot area of 0.4 hectares where the second dwelling unit is privately serviced;
- 4.2.9 A second dwelling unit is only permitted on a lot with direct frontage on a municipal road that is maintained year round;
- 4.2.10 A second dwelling unit is not permitted in the following areas:
 - A floodplain or an area rendered inaccessible to people and vehicles during times of flooding;
 - A lot on a private road or unmaintained municipal road allowance; or
 - Lands designated in the Official Plan as being within Area Specific Policy 3A for Oak Lake.

Where a second dwelling unit is located within a detached ancillary building, the following provisions apply:

- 4.2.11 A second dwelling unit must be located in the interior side yard or rear yard of the primary dwelling. Notwithstanding the foregoing, on lands within the Rural Residential (RR) Zone, the Rural (RU) Zone, the Agricultural (A) Zone, or on waterfront lots, second dwelling units located in ancillary buildings are permitted in the front yard subject to the minimum front yard requirement of the zone;
- 4.2.12 A maximum coverage of 40% of the yard in which the second dwelling unit is located;
- 4.2.13 A maximum gross floor area of 50% of the primary dwelling, or 50 square metres where the principal dwelling has a footprint of 100 square metres or less;
- 4.2.14 A minimum interior side yard and a minimum rear yard of 1.2 metres; or in the case of lands within the Rural Residential (RR) Zone, the Rural (RU) Zone, or the Agricultural (A) Zone, the minimum interior side yard and rear yard requirements of the zone apply;
- 4.2.15 A maximum height of 4.5 metres. The height may exceed 4.5 metres to a maximum height of 7 metres subject to the minimum yard requirements of the zone; and
- 4.2.16 A minimum setback of 1.5 metres from the primary dwelling located on the same lot;
- 4.2.17 A walkway with a minimum width of 1.2 metres shall be provided from the driveway to the second dwelling unit.

4.3 Backyard Hens

- 4.3.1 The keeping of hens shall be restricted to properties that are zoned to permit a single family dwelling.
- 4.3.2 The keeping of hens shall be restricted to properties that have a minimum of 0.4 hectares (one acre).
- 4.3.3 An enclosure for keeping one or more hens:
 - (a) Shall be located at least 3.0 metres from the side lot line and at least 1.2 metres from the rear lot line of the lot on which the hen coop is located.
 - (b) Shall be located at least 3.0 metres from abutting dwellings
 - (c) Must be at least 7.5 metres from any church or school.
 - (d) Shall contain an enclosed roof structure and shall be no greater than 3.0 by 3.0 metres and no greater than 4.5 metres in height.
 - (e) Shall only be located in the rear yard.

4.4 Bed and Breakfast Establishments

A Bed and Breakfast establishment shall be permitted in a single detached dwelling house only and shall have a maximum of 3 guest rooms per establishment.

Bed and Breakfast establishments shall be deemed a residential use and shall be permitted only in zones where specifically provided for as a permitted use.

Bed and Breakfast establishments shall conform to all regulations and requirements of the Zone where permitted.

Parking shall be in accordance with Section 5 of this By-law.

4.5 Buffer Strip Regulations

4.5.1 Location

Where the interior side or rear lot line in a Community Facility, Commercial or Industrial Zone abuts a Residential Zone, a buffer strip adjoining such abutting lot line or portion thereof shall be provided on the lot within the Community Facility, Commercial or Industrial Zone.

4.5.2 Contents

Required buffer strips shall contain one or more of the following screening devices:

- (a) A continuous row of trees;
- (b) A continuous hedgerow of evergreens, bushes or shrubs;
- (c) A berm;
- (d) A wall; or,
- (e) A fence.

4.5.3 Design

Screening devices comprising a required buffer strip shall:

- (a) Be arranged so as to form a dense or opaque screen or barrier;
- (b) Be designed to have an ultimate height of not less than 1.8 metre above the elevation of the ground at the nearest lot line, provided that they do not obstruct a sight triangle.

4.5.4 Landscaped Open Space Supplement

A buffer strip referred to in this Subsection may form a part of any landscaped open space required by this By-law.

4.5.5 Allowances for Driveways

Notwithstanding Section 4.34.3, the buffer strip can be interrupted to allow for access to a property where site access will be provided from a rear yard.

4.6 Compliance with Other Laws

This By-law shall not be effective to reduce or mitigate any restriction lawfully imposed by a Federal, Provincial or County Government Authority having jurisdiction to impose such restrictions.

4.7 Established Building Line

Notwithstanding any other provision of this By-law to the contrary, where an established building line has been established that does not meet the minimum front yard requirement of a lot, the established building line can be determined to be the front yard setback requirement.

4.8 Fences

Fences shall be located through the following regulations:

- 4.8.1 Within any area zoned Residential; Rural, Agricultural; Environmental Protection; Development; Community Facility; Open Space; zone, the maximum height of a boundary fence shall be 1.8 metres.
- 4.8.2 Within any commercial or industrial zone, the maximum height of a boundary fence shall be 3 m.
- 4.8.3 The maximum height of a fence in a required front or exterior side yard of a residential zone shall be 0.8 m. (By-law 20-088)
- 4.8.4 All fences are also subject to the Site Triangle provisions of this By-law. Where there is a contradiction between provisions, the most restrictive provision shall prevail and be applied. (By-law 20-088)

4.9 Frontage Requirements

- 4.9.1 **Public Street**
No person shall erect any building or structure in any Zone unless the lot upon which such building or structure is to be erected fronts on an improved public street, maintained year-round, and further, that such building or structure complies with the setback provisions of this By-law.
- 4.9.2 **Unassumed Road (By-law 16-062)**
Notwithstanding the provisions of 4.9.1 hereof to the contrary, the provisions of this By-law shall not apply to prevent the erection of a permitted building or structure on a lot in a Registered Plan of Subdivision where a properly executed subdivision agreement has been entered into with the Municipality whereunder the street or streets will not be assumed by the Municipality until such time as specified in the said agreement.
- 4.9.3 **Private Right-of-Way**
Notwithstanding the provisions of Subsection 4.9.1 hereof, where a building has been erected prior to the date of passage of this By-law on a lot which fronts on a private right-of-way registered on title and providing legal ingress and egress to an Improved Public Street or a private road, the provisions of

this By-law shall not apply to prevent the enlargement, alteration, extension or renovation of such a building or structure or the construction of an accessory structure, provided the use of such building or structure is permissible in the Zone in which it is located and that all other applicable provisions of this By-law are complied with and subject to the necessary approvals required by the City of Quinte West.

4.10 Garden Suites

Where a garden suite is permitted by a Temporary Use By-law, the following provisions shall apply.

- 4.10.1 Minimum setback for the garden suite shall be equal to the required rear and interior side yards for the main building from the rear and interior side lot lines;
- 4.10.2 In no case shall the garden suite be located any closer to the front or exterior lot line than the front walls of the main dwelling on the same lot;
- 4.10.3 The minimum floor area of any garden suite shall be 50 m²;
- 4.10.4 The maximum floor area of any garden suite shall be 100 m² and shall not exceed 40% of the gross floor area of the principal single detached dwelling; and
- 4.10.5 Maximum height of any garden suite shall be 5.0 metres.

4.11 Height Exceptions

Notwithstanding the height provisions herein contained, nothing in this By-law shall apply to prevent the erection, alteration, or use of the following accessory buildings or structures provided the principle use is a use permitted with the Zone in which it is located, namely:

- A church spire,
- A belfry,
- A flag pole,
- A clock tower,
- A chimney,
- A water tank,
- A radio or television tower or antenna,
- Air conditioner duct,
- A barn or silo,
- Drying elevator,

- Incidental equipment required for processing, and,
- External equipment associated with internal building equipment.

The Trenton Airport Zoning Regulations prepared by the Department of National Defence and Public Works Canada, regulate the height of buildings in proximity to CFB Trenton and the airplane approach to CFB Trenton. The Trenton Airport Zoning Regulations are federally regulated and as such have priority over municipal regulations. Compliance with the Trenton Airport Zoning Regulations will be required.

4.12 Holding Zone Provisions

4.12.1 Permitted Uses (By-law 18-093)

Where a zone symbol on “Schedule A” is followed by the Holding zone symbol “H” the permitted uses and relevant zone provisions applicable to that zone do not apply until such time as the Holding zone symbol “H” is removed in accordance with the requirements of the Planning Act. No development of such lands shall be permitted until such times as the “H” symbol has been removed in accordance with the Planning Act.

Prior to the removal of the Holding zone symbol “H” only uses that existed as of the date of the adoption of the Holding zone provisions shall be permitted.

4.12.2 Removal of the Holding Symbol

A Holding zone symbol shall only be removed in accordance with Section 36 of the Planning Act, 1990, as amended, and only when Council is satisfied that the criteria for the removal of the Holding zone symbol that are specified in the By-law that established the Holding zone symbol for the area have been met in a manner and form acceptable to Council.

4.12.3 Notwithstanding Section 4.11.1 to the contrary, on lots with an existing dwelling an accessory structure may be constructed without need for the removal of the holding provision.

4.13 Hobby Farm

(By-law 16-062)

The number of livestock permitted on a Hobby Farm shall be in accordance with the following or the Minimum Distance Separation MDS I and II formulae, whichever is more restrictive:

Minimum Lot Area	Nutrient Units Permitted as defined in the MDS	Tillable Area Requirement
0 – 1.2 ha	Not Permitted	N/A
1.2 – 1.6 ha	1	1.2 ha
1.6 - 2.0 ha	2	1.6 ha

Notwithstanding the foregoing, Section 4.3 of this By-law contains provisions for the keeping of backyard hens.

Hobby farms shall not be permitted in Settlement Areas as identified in the City of Quinte West Official Plan.

4.14 Home Industries

A home industry as defined in this By-law shall subject to the following provisions:

- (a) The home industry may be operated or located in all or any part of an accessory building or on any part of a lot subject to the other applicable provisions of this By-law.

A home industry shall not be permitted to operate or located in any part of a dwelling house on a lot.

The total number of home industries permitted shall be limited to one per lot.

A home industry shall be clearly secondary to the main use of the property and shall not change the character of the property.

- (b) A home industry shall only be operated by the occupant of a dwelling which is located on the same lot.

- (c) Not more than two (2) persons, other than the occupants of the dwelling on the same lot shall be employed in the home industry. Not more than 100 square metres of floor area of all accessory buildings or structures on any lot shall be devoted to a home industry use.
- (d) The home industry shall only be permitted on a lot subject to and in accordance with the zone provisions.
- (e) There shall be no external display or advertisement other than a legal sign constructed in accordance with the City of Quinte West Sign By-law as amended from time to time.
- (f) Notwithstanding any provision of this By-law to the contrary, any area used for outdoor storage/activity and/or parking associated with the home industry shall be screened in such a manner as to render the materials, items or activity as not being visible from a public street or road or from adjacent properties. The outdoor storage/activity and/or parking area shall not exceed an area equal to 50% of the area of the building used for the home industry.
- (g) Any vehicles associated with a home industry shall be parked in an area other than a public street or a required front yard. A minimum of two (2) parking spaces shall be provided in addition to those parking requirements of Section 5 of this By-law.

4.15 Home Occupation

(By-law 18-093)

Home occupations shall be permitted in all Zones in which a dwelling is permitted. The following regulations shall apply to regulate a home occupation:

- (a) No person, other than a resident of the dwelling shall be engaged in such home occupation;
- (b) Only one non-internally illuminated identification shall be permitted. The sign may be a fascia, window, or ground sign. The maximum surface area of the sign shall not exceed .4 m²;

- (c) Such home occupation shall be clearly secondary to the main residential use and shall not change the residential character of the dwelling nor create or become a public nuisance;
- (d) Not more than 15 percent of the gross floor area of the dwelling shall be used for the purposes of the home occupation use where such home occupation is conducted within the principal residence;
- (e) Such home occupation shall not include a medical clinic, a private hospital, a long term care facility, an eating establishment or a veterinary clinic;
- (f) There shall be no outside display or storage of goods or materials associated with a home occupation use;
- (g) The operation of a home occupation shall not create nor become a public nuisance, in particular in regard to noise, traffic or parking. There shall be no equipment or process used which creates noise, vibration, glare, fumes, odours, or electrical interference in excess of that normally experienced in a residential neighbourhood; and
- (h) All parking spaces shall be provided on the same lot as the home occupation, and shall be provided in accordance with the requirements of Section 5 of this By-law.

4.16 Marina Provisions

Notwithstanding any building setback provision contained herein to the contrary, nothing shall prevent the location of a marine facility in any yard adjacent to a shoreline provided that such marine facility is not located within 1.0 metre of any lot line except the shoreline.

4.17 Minimum Distance Separation

Notwithstanding any other yard or setback provisions in this By-law to the contrary no residential, institutional, commercial, industrial or recreational use located on a separate lot and otherwise permitted by this By-law shall be erected or altered unless it complies with the Minimum Distance Separation (MDS I) Formula as developed by the Ontario Ministry of Agriculture and Rural Affairs.

Notwithstanding any other yard or setback provision in this By-law to the contrary, no building housing livestock or manure handling facility shall be erected or expanded unless it complies with the Minimum Distance Separation (MDS II) Formula as developed by the Ontario Ministry of Agriculture and Rural Affairs.

4.18 Multiple Uses on One Lot

Where a lot contains more than one use which is not an accessory use as defined herein except for an accessory dwelling house or dwelling unit, the lot area requirement shall be the sum of the requirements for the separate uses thereof; however, the lot frontage requirement shall be the greatest of the lot frontage requirements for each individual use in the zone where such lot is located.

4.19 Multiple Zones on One Lot

Where a lot is divided into more than one Zone under the provisions of this By-law, each such portion of the said lot shall be used in accordance with the Zone Provisions of this By-law for the applicable zone. The lot area and lot frontage requirements of the most restrictive zone on the lot shall be applied to the entire lot.

4.20 Non-Complying Buildings and Structures

4.20.1 Replacement, Enlargement, Repair or Renovation

A building or structure that does not comply with this By-law, but which was legally constructed/alterd in accordance with the by-laws in force at the time of construction/alteration may be replaced, enlarged, repaired or renovated provided that the replacement, enlargement, repair or renovation:

- (a) Does not further increase the non-compliance;
- (b) Complies with all other applicable provisions of this By-law; and
- (c) A non-complying building destroyed by fire or other disaster, must be replaced within two years of the date of destruction which will be considered to be the date the building became uninhabitable.

4.20.2 Non-Compliance as a Result of Acquisition by a Public Authority

Notwithstanding any other provision of this By-law, where, as a result of an acquisition of land by a public authority, a lot becomes a non-complying lot, such non-complying lot may be used for any purpose otherwise permitted by this By-law within the Zone in which the lot is located, provided that:

- (a) Such lot as reduced is accessible to vehicular traffic from a public road either directly or via private access;
- (b) No change is made to such lot or to any buildings or structure thereon, subsequent to the date of the said acquisition, that would increase the degree of any non-conformity resulting from such

- acquisition or that would contravene any other provision of this By-law; and,
- (c) This provision is not construed as mitigating or legalizing any non-conformity or contravention pertaining to such lot prior to the date of such acquisition.

4.20.3 Driveways and Required Parking Spaces

Notwithstanding any other provision of this By-law, where, as a result of an acquisition of land by a public authority, a contravention of this By-law would arise relating to the minimum required number of parking spaces, minimum size of parking spaces, minimum width of a driveway, location or parking spaces and/or driveways or minimum required setbacks and/or yards for driveways and/or parking spaces, then the lands so affected shall be deemed to comply with this By-law to the extent the lands complied with the By-law on the day before the acquisition was finalized.

4.20.4 Driveways and Required Parking Spaces

Notwithstanding any other provision of this By-law to the contrary, where, as a result of an acquisition land by a public authority, such acquisition results in a contravention of this By-law relating to the minimum required number of parking spaces, minimum size of parking spaces, minimum width of a driveway, location of parking spaces and/or driveways or minimum required setbacks and/or yards for driveways and/or parking spaces, then the lands so affected are deemed to comply with this By-law to the extent is complied with this By-law on the day before the expropriation was finalized.

4.21 Non-Complying Lots

A lot in existence prior to the effective date of this By-law that does not meet the lot area and/or lot frontage requirements of the applicable Zone, of this By-law is permitted to be used and buildings and structures may be permitted to be erected, enlarged, repaired or renovated thereon provided the use conforms with the provisions of this By-law and the buildings or structures comply with all of the other provisions of this By-law.

4.22 Non-Conforming Uses

The provisions of this By-law shall not apply to prevent the use of any land, building or structure for any purpose prohibited by this By-law if such land, building or structure was lawfully used for such purpose on the date of passing of this By-law, so long as it continues to be used for that purpose.

Nothing in the By-law shall prevent the strengthening to a safe condition or the reconstruction of any building or structure or part of any such building or structure that is used for a non-confirming use, provided such alteration or repair does not increase the height, size or volume or change the use of such building or structure.

4.23 Outdoor Display and Sales

Where an outdoor display and sales area is permitted as an accessory use, the outdoor display and sales area shall comply with the following setbacks:

- 4.23.1 Maximum distance between an outdoor display and sales area and building containing the principle use of the lot – 12.0 metres;
- 4.23.2 Minimum required interior side yard for an outdoor display and sales area – 3.0 metres;
- 4.23.3 Minimum required rear yard for an outdoor display and sales area – 3.0 metres;
- 4.23.4 Minimum setback for an outdoor display and sales area from a Residential Zone boundary – 7.5 metres.
- 4.23.5 The maximum permitted area for an outdoor display and sales area shall be 200% of the floor area of the main building on the same lot;
- 4.23.6 The outdoor display and sales area must be located outside of any required parking spaces, loading areas and required buffer strips;
- 4.23.7 The outdoor display and sales area shall be established and maintained with a stable surface, treated so as to prevent the raising of dust or loose particles and comprised in whole or in part of one or more materials including asphalt, concrete, concrete or brick pavers, gravel or similar materials; and,
- 4.23.8 The display of motor vehicles at a motor vehicle dealership or the accessory sale of motor vehicles where permitted by this By-law, are not subject to the provisions of Sections 4.23.2, 4.22.3, 4.23.4 and 4.23.5 of this By-law.

- 4.24.2 A Building Permit is required for the installation of all outdoor furnaces..
- 4.24.3 Outdoor Furnaces shall not be installed closer to any structure than recommended by the manufacturer and not closer than 30 metres to any property line.
- 4.24.4 Outdoor Furnaces are only permitted in rear yards.

4.25 Outdoor Storage

4.25.1 General Provision

Where accessory outdoor storage is permitted in a zone:

- (a) Outdoor storage shall be permitted only in a rear or interior side yard and shall not be located any closer than 18.0 metres to any streetline, including the Highway 401 streetline;
- (b) The height of stored materials shall not exceed 4.5 metres;
- (c) Outdoor storage shall be screened by opaque fencing with a minimum height of 2.75 metres;
- (d) Outdoor storage is not permitted within any yard adjoining a residential zone boundary; and,
- (e) The maximum permitted area for outdoor storage shall be the lesser of 30% of the lot area or twice the ground floor area of the main building on the lot.

4.25.2 Agricultural Uses

Outdoor storage of farm-related materials shall be permitted accessory to an agricultural use. The provisions of Section 4.25.1 above shall not apply.

4.26 Prohibited Uses

(By-law 16-062)

The following uses, activities and/or objects shall be prohibited in any Zone:

- 4.26.1 The use of any camping tent, trailer or motor vehicle for human habitation, except where such camping tent, trailer or motor vehicle is located in a campground, in a trailer park or in a mobile home park;
- 4.26.2 The use of any accessory building or structure or boathouse for human habitation;
- 4.26.3 The use of a truck, bus, coach body or rail car for human habitation or for storage purposes;
- 4.26.4 The storage of disused rail cars, streetcars, buses, truck bodies or trailers without wheels unless otherwise permitted by this By-law;
- 4.26.5 The parking or storage of trailers or commercial motor vehicles on a vacant lot;
- 4.26.6 The parking or storage of trailers or commercial motor vehicles on a vacant lot for the purposes of advertising;
- 4.26.7 The outdoor storage of more than 2 vehicles or pieces of machinery that are unplated, derelict or that do not require plates. The 2 vehicles or pieces of machinery that may be stored outdoors must be kept under an opaque cover secured and completely covering the vehicle;
- 4.26.8 The manufacturing, refining, rendering or distillation of acid, ammonia, chlorine, coal, creosote, explosives, fireworks, glue, petroleum or tar; and,
- 4.26.9 The bulk storage of industrial chemicals, fuels and oils, hazardous waste or liquid industrial waste unless specifically permitted by as defined under Environmental Protection Act, R.S.O. 1990, c.E 19, as amended from time to time.

Except as may otherwise be specifically permitted under this By-law, no use shall be permitted which, from its nature or the materials used therein, is declared by the Ministry of the Environment, the local Health Unit or the City of Quinte West, to be a noxious use.

4.27 Public Uses

Notwithstanding any other provisions of this By-law, the City, any public authority, or any Department or Ministry of the Government of Canada or Ontario, and for the purposes of this Section shall include any school board, Hydro One Networks Inc., Ontario Power Generation, any telecommunications company, and any natural gas distribution company, may for the purposes of the public service, use any land or erect or use any building in any zone subject to the following provisions:

- 4.27.1 Such public use shall comply with all applicable zone regulations, parking and loading requirements of the Zone in which it is located.
- 4.27.2 Such use, building or structure is buffered from an adjacent residential use in accordance with Section 4.5 of this By-law;
- 4.27.3 Notwithstanding any provision of this By-law to the contrary, buildings and structures which are used for the storage of road maintenance materials within a public works yard owned by a public authority shall be exempt from the height requirements of this By-law.
- 4.27.4 Outdoor storage of goods, materials or equipment is not permitted in any required yard abutting a Residential Zone.

4.33.7 Notwithstanding any provision in this By-law to the contrary, no residential use shall be located within 120 metres of an Aggregate Zone other than a residence owned and occupied by the owner of the aggregate operation.

4.33.8 Provincially Significant Wetlands

New buildings, structures or uses or additions, alterations or replacement of existing building or structures shall only be permitted within 120 metres of lands zoned Provincially Significant Wetland (PSW) where it has been demonstrated to the satisfaction of the City of Quinte West and the appropriate Conservation Authority, that the proposed development will have no negative impact on the Provincially Significant Wetland or its ecological function.

4.34 Swimming Pools and Pool Pumps, Filters and Heaters

(By-law 20-088)

Where an outdoor swimming pool is constructed in a Residential Zone, it shall only be permitted in a rear yard and interior side yard and constructed in accordance with the following requirements:

- 4.34.1 Minimum interior side and rear yard setback – 1.5 metres;
- 4.34.2 An accessory outdoor swimming pool shall not be included in lot coverage calculations;
- 4.34.3 Minimum setback from side or rear lot lines for water circulating or treatment equipment such as pumps, filters and heaters – 3.0 m.
- 4.34.4 A minimum setback of 1.5 metres between a pool and a dwelling.

4.35 Through Lots

Where a lot, which is not a corner lot, has a frontage on more than one street or is bounded on more than one side by a street, private right-of-way or watercourse or water body, the setback and front yard requirements contained herein shall apply on each street or adjacent private right-of-way or watercourse or water body, as the case may be, in accordance with the provisions of the Zone or Zones in which such lot is located.

4.36 Uses of Lots without Buildings

Unless expressly permitted by this By-law, no permitted use in any Residential, Commercial or Industrial Zone is permitted unless a main building is erected on the same lot.

4.37 Wayside Pits and Quarries

A wayside pit or wayside quarry is permitted in any zone except the Wetland and Environmental Protection Zones.

5. Parking and Loading Space Provisions

No person shall use any land, building or structure in any Zone for any purpose permitted by this By-law, unless the minimum number of parking spaces required are provided in accordance with the provisions of this Part of the By-law.

5.1 Applicability of this Section

- (a) The parking and loading space requirements of this Part of the By-law shall not apply to any use in existence at the date of passing of this By-law so long as the floor area, as it existed at such date, is not increased.
- (b) If an addition or alteration is made to the building that increases the floor area, additional parking and loading spaces shall be required to be provided for the additional floor area as required by the regulations of this By-law.
- (c) If the use of lands or a building or part of a building is changed to a use that requires additional parking than what existed as of the date of passing of this By-law, additional parking and loading spaces shall be required in accordance with the regulations of this By-law.

5.2 Calculation of Parking Requirement

5.2.1 Rounding of Requirements

Where the minimum number of parking spaces is calculated on the basis of a rate or ratio, the required number of parking spaces shall be rounded to the next higher whole number where the calculated required number of parking spaces results in a fraction of a parking space.

5.2.2 More than One Use on a Lot

The parking requirements for more than one use on a single lot or for a building containing more than one use, shall be the sum total of the parking requirements for each of the component uses, unless otherwise noted.

5.2.3 Requirements Based on Capacity

Where the number of parking spaces required in accordance with this By-law is based upon the “capacity” of a use, such capacity shall be equal to the maximum capacity of any building or structure pertaining to such use, as determined by the Ontario Building Code, relevant fire safety regulations or, where applicable, the Liquor Licensing Board or Ontario or other public agency having jurisdiction whichever capacity is less.

5.3 Dimensions of Parking Spaces

(By-law 20-088)

5.3.1 General Requirements

- (a) Where parking spaces are provided in a surface parking area, or on a driveway each parking space shall have a width of not less than 2.7 metres and a length of not less than 6 metres. In the case of parking areas containing more than 3 parking spaces where parking spaces are provided in a row, the parking spaces located at each end of the row shall have a minimum width of 3 metres.
- (b) Where parking spaces are provided in an enclosed or underground parking garage, such parking spaces shall have a width of not less than 2.7 metres and a length of not less than 6 metres. In the case of parking areas containing more than 3 parking spaces where parking spaces are provided in a row, the parking spaces located at each end of the row shall have a minimum width of 3 metres.
- (c) Where required parking spaces are provided within a private garage accessory to a detached, semi-detached or townhouse dwelling, with such a private garage being a single car garage or a double car garage with a separating wall, each parking space shall have a width of not less than 2.9 metres and length of not less than 6.0 metres and a height clearance of not less than 2.1 metres. A minimum area of 2.9 metres wide by 5.3 metres long by 2.1 metres high of this space shall be unobstructed by any component of any structure including stairs.
- (d) Where parking spaces are provided within a private garage accessory to a detached, semi-detached or townhouse dwelling, with such a private garage being a single car garage or double car garage with no separating wall, each parking space shall have a width of not less than 2.75 metres and length of not less than 6.0 metres and a height of not less than 2.1 metres. A minimum area of 5.5 metres wide by 5.3 metres long by 2.1 metres high of this space shall be unobstructed by any component of any structure, including stairs.

5.3.2 Parallel Parking

Where principal access to a parking space is located on its longest side, such parking space shall have a minimum width of 2.75 metres and a minimum length of 6.8 metres.

5.3.3 Single Stacked Angled Parking

Where principle access to a parking space is located on its shortest side, and where landscaped open space, a sidewalk or a wall abuts the parking spaces along the opposite shorter side, and where the parking space is provided at any angle between ten and seventy degrees, measured between the edge of the pavement and the longer side of the parking space, such parking space shall have a minimum width of 2.75 metres and a minimum length of 6.4 metres.

5.4 Location of Required Parking

5.4.1 Same Lot as the Use

All parking spaces shall be located on the same lot as the use that requires the parking.

5.4.2 Yards where Parking Areas are Permitted

Outdoor parking areas shall be permitted in any part of any yard, except that no part of any parking area shall be located:

- (a) Within a sight triangle in accordance with Section 4.32 of this By-law;
- (b) Closer to the property line adjacent to any street having a width of more than 10.0 metres than:
 - (i) 1.0 metre in any Industrial, Commercial, Community Facility (CF), Open Space (OS) or Recreation Commercial (RC) Zone; or,
 - (ii) 2.0 metres in any Rural (RU), Agricultural (A), Waste Disposal (MD) or Extractive Industrial (MX) Zone; and
- (c) Closer to any Residential Zone than:
 - (i) The 1.0 metre in any Commercial, Community Facility (CF) or Open Space (OS) Zone; or,
 - (ii) 3.0 metres in any Agricultural (A), Rural (RU), Waste Disposal (MD), Extractive Industrial (MX) Zone.

- 5.4.3 Where parking is provided in any front yard or exterior side yard, the parking area shall be separated from any adjacent street line by a strip of land with a minimum width of 1.5 metres which shall be reserved for landscaping purposes and such strip shall include a curb or similar barrier, except for entrances and exits.

5.5 Surface Treatment

All parking spaces, loading spaces, queuing lanes and spaces, parking areas, parking lots and all driveways and aisles providing, access thereto shall be established and maintained with a stable surface, treated so as to prevent the raising of dust or loose particles and comprised in whole or in part of one or more materials including asphalt, concrete, concrete or brick pavers, gravel or similar materials. The use of similar materials which provide for the infiltration of water into the ground is also permitted.

5.6 Exclusive Use of a Parking Space

Any parking space shall be unobstructed and available for parking purposes and used exclusively for that purpose at all times, unless otherwise specified in this By-law.

5.7 Parking Required for Outdoor Patios

Parking spaces are not required for any outdoor patio occupying less than 40% of the net floor area of the restaurant it serves. Where the outdoor patio occupies an area equal to or greater than 40% of the net floor area of the restaurant it serves, parking spaces shall be required at the required minimum requirement specified in Section 5.13 of the By-law for that portion of the outdoor patio greater than 40% of the net floor area of the restaurant it serves.

5.8 Access to Parking Areas and Parking Spaces

5.8.1 Double Parking

Each required parking space shall be accessible at all times for parking a vehicle without the necessity of moving any other vehicle, except that nothing in the By-law shall apply to prevent the parking of a vehicle in any part of a driveway accessory to a duplex dwelling, single detached dwelling, semi-detached dwelling or street townhouse dwelling.

5.8.2 Width of Parking Aisles

The minimum width of an aisle providing access to a parking space within a parking area shall be 3.5 metres, except in the case of angled off-street parking accessed by a one-way aisle, the aisle width shall be in accordance with the following table.

Angle of Parking (Degrees)	Minimum Required Aisle Width (metres)
0 to less than 45	3.5
45 to less than-56	4.3
56 to less than 70	6.5
70 to less than-90	6.7

5.8.3 Width of Access Ramps and Driveways in Non-Residential Zones

Access ramps and driveways accessing a parking area or a parking lot shall be a minimum of 3.0 metres in width for one-way traffic and a minimum of 6.0 metres in width for two-way traffic, and in no case shall be more than 9.0 metres in width.

5.9 Unlicensed Motor Vehicles

- (a) The parking of an unlicensed motor vehicle on a lot shall be permitted only as an accessory use to a motor vehicle dealership, motor vehicle body shop or a motor vehicle repair garage located on the same lot; and,
- (b) No part of any lot in a Residential Zone shall be used for the parking or storage outdoors of any vehicle, other than a recreational vehicle, where such vehicle does not bear a valid license plate and currently valid validation tag.

5.10 Parking of Recreational Trailers, Vehicles or Boats

(By-law 16-062)

The outdoor parking or storage of any recreational trailer, vehicle or boat is permitted on any lot that is zoned to permit residential uses by this By-law, but shall be subject to the following provisions:

- (a) The recreational vehicle or boat is not used for human habitation purposes at any time;
- (b) A recreational trailer, vehicle or boat may be parked or stored on a lot provided it is parked or stored on a driveway, interior side yard or rear yard and it is parked a minimum of 1.0 metres from any lot line adjacent to a public street;
- (c) A recreational trailer, vehicle or boat, or combination thereof, having a height of 1.8 metres or more shall not be parked closer than 1.2 metres from any side or rear lot line;
- (d) A total maximum of 1 recreational trailer, vehicle or boat is permitted to be stored on a lot;
- (e) Where a recreational vehicle or boat is kept on a trailer, the recreational vehicle or boat and trailer together shall be counted as one recreational trailer, vehicle or boat;
- (f) The height of any stored recreational trailer, vehicle or boat on a lot shall be a maximum of 3.2 metres measured from the ground to the highest fixed point of the recreational vehicle. The overall length of any stored recreational trailer, vehicle or boat on a lot shall be a maximum of 6 metres (exclusive of a hitch or tongue);
- (g) Where the recreational vehicle being stored on a lot is a boat, the length of the boat permitted to be stored on the lot shall be measured from the bow to the stern. The length of the trailer, stern drive, rudder or bowsprit shall not be included in the calculation of the boat length; and
- (h) In the agricultural and rural designations of the Official Plan, larger recreational trailers, vehicles and boats may be parked and stored on areas other than a driveway subject to the setbacks of the zone.

5.11 Parking Garages

Parking garages shall comply with the provisions for the main building in accordance with this By-law. No setbacks or yards shall be required for any portion of a parking garage if it is constructed completely below the established grade. This exemption shall also apply to ventilation shafts and housings, stairways and other similar facilities associated with below grade parking garages that extend from below established grade.

5.12 Parking Exempt Areas

Notwithstanding any provision of this By-law to the contrary, lands within the Parking Exempt Areas identified on Schedules A, B and C are exempt from having to meet the requirements of Section 5 for the provision of parking and loading spaces.

- (a) For all uses, buildings and structures, the regulations of the underlying zone shall apply.
- (b) Prior to issuing a building permit for any building or structure within the Environmentally Sensitive Areas, the City should be satisfied, in consultation with the local Conservation Authority, that no physical hazard exists which would cause harm to life or property and in this regard, the City, in consultation with the local Conservation Authority, may require professional technical reports to be submitted in support of any development (i.e. drainage reports, slope stability report, environmental impact report). In this regard, the applicant is encouraged to consult with the local Conservation Authority prior to submitting the building permit application to determine the extent of the physical hazard and need for report and/or permits under Ontario Regulations 163/06 and 319/09.

31.1.3 General Provisions

All provisions of Section 4, General Provisions where applicable to the use of any land, building or structure permitted in the Environmentally Sensitive Areas (ESA) Zone shall apply and be complied with.

31.2 Flood Plain

(By-law 16-062)

Within the Flood Plain, no land shall be used and no buildings or structures shall be erected or used except for those in accordance with any regulations of, and subject to the approval of, the City and the appropriate Conservation Authority.

31.2.1 Any use, building or structure that legally existed on the effective date of this By-law:

- (a) Shall be subject to the provisions of Section 4.20 and 4.22 of the By-law;
- (b) The minimum elevation for any door, window or other opening for any building or structure within the Flood Plain or within 30 metres of a regulated watercourse shall be based on the flood elevation at that area and will be determined in consultation with the appropriate Conservation Authority.

31.2.2 The minimum elevation for any door, window or other opening for any other building or structure within the Municipality shall be equal to the dry floodproofing elevation as determined by the appropriate Conservation Authority.

31.3 Methadone Clinics and Methadone Pharmacy (M-H)

31.3.1 Notwithstanding any provision of this by-law to the contrary, no person shall erect or occupy any building or structure or use any building, structure or land for a methadone clinic or methadone pharmacy except in the area zone (M-H) Methadone Holding as illustrated on Schedules A and B.

31.3.2 The zone provisions of the underlying zone classification shall apply to a methadone clinic and methadone pharmacy.

31.3.3 No person shall erect or occupy any building or structure or use any building, structure or land for a methadone clinic or methadone pharmacy prior to the removal of the Holding symbol. The H Holding symbol removal shall only be approved when the following criteria have been met:

- (a) A public consultation process is completed to the City's satisfaction; and
- (b) A "Community Services and Facilities Study" is completed. The study shall identify the current and required levels of services for methadone maintenance treatment require to support the health, safety and well-being of local residents at the time a proposal is being made. The Study shall also properly assess parking, traffic, transit, accessibility and congestion issues. The plan shall include the number of patients to be serviced, the site and building layout, intended patient circulation, the location and adequacy of internal waiting areas.

31.3.4 Property boundaries for methadone clinics and methadone pharmacies shall not be located closer than 80 metres from any land used or zone for low density residential dwellings (single detached dwellings, semi-detached dwellings and duplex dwellings). The separation distance will be measured from property boundary to property boundary.

31.3.5 Property boundaries for methadone clinics and methadone pharmacies cannot be located closer than 300 metres from any property zone or used for an elementary or secondary school (Public or Separate School Board or private school) or any municipal recreation facility (ie. arena, YMCA). The separation distance will be measured from property boundary to property boundary.

31.3.6 New or proposed expansions to existing Methadone Clinics shall require a waiting area no less than 15% of their total gross floor area.

31.4 Waste Disposal Assessment Area

Within the Waste Disposal Assessment Area, no person shall use any land, erect, alter, enlarge, use or maintain any building or structure for any use other than as permitted in this Section in accordance with the regulations contained or referred to in this section.
